Step 1
Click the Windows Start button and type Mail in the search box. From the list of results, click Windows Live Mail to launch the program.

Step 2
Select Add e-mail account from the left-hand side.

Step 3
Enter your full E-mail address (A), Password (B), Display Name (C) and check the box for Remember password if you do not want to enter your e-mail account's password every time you check or send mail. When you are finished, click the Next button.
Step 4
Select **IMAP** from the drop-down box.
